

DECEMBER 21, 2010: FIABCI ITALY CHRISTMAS DINNER

A friendly and warm atmosphere has characterized FIABCI- Italy Christmas dinner, organized, this year, at the Westin Palace Hotel in Milan.

The dinner, closed the usual year-end General Assembly, and opened with a gargantuan buffet followed by real delicacies, all accompanied by a selection of wines from Piedmont, the home land of President Giancarlo Bracco , wisely suggested by the sommelier at the wine tasting corner.

The guests were entertained by live music and magic tricks presented masterfully by the versatile singer - magician who has literally left everyone speechless. No one could miss two dance steps at the end of the evening, and a fun raffle with lots of tasty prizes.

Last but not least, the Italian Christmas "Panettone" accompanied by, a very appreciated, Sardinian Vintage Vernaccia.

A magic evening and unforgettable tastes.
